ALERT PAGE

- **Tournament Team Format** – The top four (4) scoring teams in the divisional meets will qualify to compete in the Open Meet to determine an Open team champion as well as a runner-up team. The top two teams in the Open Meet will represent Connecticut in team competition at the New England Gymnastics Championships.
- **Regular Season Scores** -- All regular season meet scores MUST be entered online on the day of the game as soon as possible following the game's completion.

Scores may be entered via the Online Eligibility Center, the “Submit Scores/Forms” option of the “CIAC for Coaches” menu at ciacsports.com, or the “Submit Scores” button in our ciacmobile.com mobile site. Entering scores at ciacsports.com or ciacmobile.com requires either a coaches or scorekeeper's access code, those codes are managed via the Online Eligibility Center and can be retrieved from a school's athletic director.

- Only individual qualifying girls will be eligible to medal in each event and the all-around as determined under section 6.0 of the tournament packet. Also, the top 20 all-around scorers from the regular season will qualify for the all-around.
- Individuals competing in a non-school meet as unattached may not have their scores count for an outside team.
- December 16, 2017 is the final date for scheduling new meets that will count for tournament.
- **Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.
- **Students With Special Needs**– Coaches are reminded to inform contest officials prior to each competition of any students with special needs who could be competing in the contest when his/her disability could impact the individual's performance or the conduct of the competition.
- **CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:
 1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
 2. Access to electric power (shared power strip, etc.)
 3. Access to wireless internet service

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on-site before the game and work to

provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

- **Unmanned Aerial Systems at CIAC-Sanctioned Events** – The use of unmanned aerial systems, often referred to as drones, is prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.
- **Sportsmanship** -- Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly. The CIAC acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies and procedures relating to sportsmanship and the conduct of activities in the school. To that end, the CIAC urges each school principal to adopt the following sportsmanship procedures and standards for their school and to champion the “Class Act” sportsmanship program as these standards will be used in all CIAC post-season contests.

CIAC Sportsmanship Guidelines

- The CIAC request that all school personnel – administrators, faculty, and coaches – give special and specific emphasis about CIAC’s expectations for good sportsmanship during the regular season as well as CIAC tournaments requiring that athletes and members of the student body conduct themselves in a manner that reflects nothing but credit upon your school. Any unsportsmanlike conduct on the part of students and adults is unacceptable and will be addressed with strong and appropriate measures.
- The CIAC sportsmanship standards should be as widely disseminated as possible using the student-parent handbook, student-athlete handbook, school newspaper, parent newsletter, school web site and the local media.
- The CIAC sportsmanship standards for spectators should be read by PA announcers prior to each contest.
- The CIAC sportsmanship standards of conduct be prominently posted at all sports venues.
- When event programs are provided, the CIAC sportsmanship standards be included.
- Member schools require having athletes, parents/guardians, sign an acknowledgement which would show that they have read the student-athlete handbook and understand the CIAC sportsmanship standards.
- Member schools work with community officials to insure that levels of the CIAC sportsmanship standards are enforced when contests are held at their school and at non-school facilities.
- The CIAC and the CIAC sports committees insist the CIAC sportsmanship standards be rigorously enforced at all regular season contests and at all CIAC tournament contests. This is particularly important when contests are held at non-school sites.
- Member schools will conduct a pre-season meeting with student-athletes, coaches and parents to review the CIAC sportsmanship standards.
- Member schools should communicate with opposing schools and inform them they are a “Class Act School” and provide them with the CIAC sportsmanship standards which will be strictly adhered to.
- Member schools hosting a game should make available to visiting schools necessary game information – includes directions for parking, location of ticket booths, seating arrangement, ticket prices, game time, directions for each game site.
- Member schools hosting a game should designate specific seating areas for students, bands, adults and visitors. If possible, opposing student bodies should be separated.
- Member schools hosting a game should arrange for adequate police supervision.
- When possible the member schools hosting a game should assign officials to dressing facilities separated from both teams. Provides escorts for the officials when it appears that disturbances may develop.
- Member schools should take measures to prevent fans from getting near or on the playing area and around the players benches. After the contest, prevents fans from going onto the playing area.
- Member schools should provide for adequate supervision of students and facilities. Supervisors should sit in the stands with the students.
- **Member schools should support and adhere to ALL the following CIAC standards.**

4.0 QUALIFYING

- 4.1 To be eligible for consideration for the **Team Divisional Championship**, a team must have participated in a minimum of six (6) meets during the regular season. Only the first two meets with any single full team will count for tournament purposes.
- 4.2 Dual, tri, quad meets shall count. Each score from these meets shall count as ONE SCORE toward championship meet qualification. Do not, for example, count your score from a tri meet two times.

- 4.3 Individual and team scores must be submitted after each meet on the eligibility center or the submit scores/forms option under the CIAC for coaches menu at ciacsports.com or the submit scores button in our ciacmobile.com mobile site. Entering scores at ciacsports.com or ciacmobile.com requires either a coaches or scorekeeper's access code, those codes are managed via the online eligibility center and can be retrieved from the school's athletic director. Failure to have all updated scores submitted by February 19 will result in that school being fined \$50.
- 4.4 All meet scores to be considered for team and individual tournament qualification shall have at least one rated official per event. (If more than one event is going on at one time, use at least one rated official at each event.)
- 4.5 Gymnasts, including members of one person teams must have been members of their school team for a minimum of six meets during the regular season to be eligible for participation in the Division Team Championship or in the Individual Open Championship.
- 4.6 Gymnasts who have been approved to participate as one person teams shall only compete for CIAC tournament qualification in CIAC regular season competitions that are scheduled by the "receiving school" with which the one person team gymnast(s) participates. (A receiving school is the school that accepts the approved participation of the "one person" team.) **The final date to apply for one person team status is December 19, 2017.**
- 4.7 **All schools, including one person teams and cooperative teams are responsible for submitting all CIAC information and must ensure supervision by Connecticut certified coaches for their athletes at all meets and tournaments.** One person teams may enter their league championship meet scores under their host team's league championship meet.
- 4.8 Gymnastics teams of CIAC member schools may compete for qualifying purposes with schools in these categories:
- Schools which are members of CIAC
 - Out-of-state schools which are members of their state association
 - The American School for the Deaf

NOTE: Girl gymnasts on CIAC member school teams are permitted to participate in a maximum of four (4) USGA-sanctioned meets during the course of the interscholastic girls' gymnastics season as unattached participants. (See "unattached" definition in CIAC Handbook.) Requests for permission to participate must be made to the individual gymnast's school principal. CIAC weekly limitations must be observed. Failure to receive permission violates Rule II.E. of the CIAC Code of Eligibility. **School competitions must not be missed in order to compete in a non-school meet.**

5.0 TEAM DIVISIONAL CHAMPIONSHIPS

- 5.1 Twenty-four school teams are invited to participate in the Team Division Championship. Athletes who are members of one person teams are eligible to qualify for the Open Individual Championship throughout the regular competition season. The Team Division Championship is for school teams with four (4) or more members.
- 5.2 Process used by the committee at the end of season seeding meeting to determine qualifying teams for the Team Division Championship:
- Team averages are listed from highest to lowest, based on the top six (6) team scores achieved during the regular season. **Scores are averaged as follows: the highest score is discarded and the next five highest scores are averaged.**
 - School teams with the top 24 averages are identified.
 - This list is then divided into three divisions of eight (8) schools each, based on girls enrollment (grades 9-12) from the previous year.

- 5.3 During the Team Division Championship the top four (4) scores per apparatus for each team will count toward the team score. Each team may compete a maximum of six (6) gymnasts per event. Competition must be designated prior to the seeding meeting.
- 5.4 The team divisional championship will be run as a team meet with no more than six (6) gymnasts from one school competing as a team at each event.

6.0 INDIVIDUAL QUALIFICATION – OPEN INDIVIDUAL TOURNAMENT

- 6.1 **Tournament Format** – For 2018, the top 40 girls overall will be accepted into the Open Meet in each of the four competitive events. In the event of a tie for 40th place, those girls tying for the 40th spot will be accepted into the respective individual event. If a girl qualifies in all four events, she will be eligible to medal in the all-around. Also, the top 20 all-around scores during regular season meets will qualify for the all-around competition in the Open Meet.

The top four scoring teams in the divisional meets will qualify to compete in the Open Meet to determine an Open team champion as well as a runner-up team. The top three teams in the Open Meet will represent Connecticut in team competition at the New England Gymnastics Championship.

Only individual qualifying girls will be eligible to medal in each event and the all-around as determined under section 6.0 of the tournament packet.

All gymnasts are required to compete in a minimum of five (5) meets. The average of the best four scores after the highest score is eliminated (per individual/per event, including all-around) achieved during the regular season competition will be used to determine qualification for the Open tournament.

- 6.2 If a gymnast was unable due to an injury to record a minimum of five (5) scores in order to qualify according to the regulations, a request for a “bye” into the Open individual tournament may be submitted for consideration by the CIAC Girls Gymnastics Committee.
- The request must be submitted in writing by the athletic director of the school for which the gymnast competes;
 - The request must be accompanied by medical documentation testifying that the gymnast was unable to compete;
 - The gymnast must have participated in at least three meets;
 - The average of the gymnast’s scores must meet or exceed the qualifying mark;
 - The decision of the Committee is final.

- 6.3 **New England Championships** – The top three (3) scoring teams at the Open tournament and medalists (top six) from the Open tournament will represent Connecticut at the New England Championships. Only six (6) gymnasts per state may be entered as the top six medalists from each state.

Tie-breaker policy for the New England Championships:

- The higher qualifying score on the CIAC web site will be used
- If there is still a tie then a coin flip will be the deciding factor

**Connecticut State Department of Education and the
Connecticut Interscholastic Athletic Conference
Concussion and Head Injury Annual Review
Required for ALL School Coaches in Connecticut**

NOTE: This document was developed to provide coaches with an annual review of current and relevant information regarding concussions and head injuries. In addition to reviewing this form, the annual review must include one of the following prescribed resources: Connecticut Concussion Task Force video, Centers for Disease Control and Prevention (CDC) Heads Up Concussion in Youth Sports training course or the National Federation of State High School Associations (NFHS) concussion training course. Links to these resources can be found at: <http://concussioncentral.ciacsports.com/>. A new form is required to be read, signed, dated and kept on file by their associated school district annually to comply with Connecticut General Statutes (C.G.S.) Chapter 163, Section 149b: *Concussions: Training courses for coaches. Education plan. Informed consent form. Development or approval by the State Board of Education.*

What is a Concussion?

Centers for Disease Control and Prevention (CDC) - *“A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth.”* -CDC, Heads Up: Concussion
http://www.cdc.gov/headsup/basics/concussion_whatish.html

Even a “ding,” “getting your bell rung,” or what seems to be mild bump or blow to the head can be serious” -CDC, Heads Up: Concussion Fact Sheet for Coaches http://www.cdc.gov/concussion/HeadsUp/pdf/Fact_Sheet_Coaches-a.pdf

Section 1. Concussion Education Plan Summary

The [Concussion Education Plan and Guidelines for Connecticut Schools](#) was approved by the Connecticut State Board of Education in January 2015. Below is an outline of the requirements of the Plan. The complete document is accessible on the CSDE Web site: <http://www.sde.ct.gov/sde/cwp/view.asp?a=2663&q=335572>

State law requires that each local and regional board of education must approve and then implement a concussion education plan by using written materials, online training or videos, or in-person training that addresses, at a minimum the following:

1. The recognition of signs or symptoms of concussion.
2. The means of obtaining proper medical treatment for a person suspected of sustaining a concussion.
3. The nature and risks of concussions, including the danger of continuing to engage in athletic activity after sustaining a concussion.
4. The proper procedures for allowing a student athlete who has sustained a concussion to return to athletic activity.
5. Current best practices in the prevention and treatment of a concussion.

Section 2. Signs and Symptoms of a Concussion: Overview

A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure, following an impact or suspected impact as described in the CDC definition above.

Signs of a concussion may include (i.e. what the athlete displays/looks like to an observer):

- Confusion/disorientation/irritability
- Trouble resting/getting comfortable
- Lack of concentration
- Slow response/drowsiness
- Incoherent/ slurred speech
- Slow/clumsy movements
- Loses consciousness
- Amnesia/memory problems
- Acts silly/combative/aggressive
- Repeatedly ask same questions
- Dazed appearance
- Restless/irritable
- Constant attempts to return to play
- Constant motion
- Disproportionate/inappropriate reactions
- Balance problems

Symptoms of a concussion may include (i.e. what the athlete reports):

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Oversensitivity to sound/light/touch
- Ringing in ears
- Feeling foggy or groggy

State law requires that a coach **MUST** immediately remove a student-athlete from participating in any intramural or interscholastic athletic activity who: a) is observed to exhibit signs, symptoms or behaviors consistent with a concussion following a suspected blow to the head or body, or b) is diagnosed with a concussion, regardless of when such concussion or head injury may have occurred. **Upon removal of the athlete, a qualified school employee must notify the parent or legal guardian within 24 hours that the student athlete has exhibited signs and symptoms of a concussion.**

Section 3. Return to Play (RTP) Protocol Overview

Currently, it is impossible to accurately predict how long an individual’s concussion will last. There must be full recovery before a student-athlete is allowed to resume participating in athletic activity. Connecticut law now requires that no athlete may resume participation until they have received written medical clearance from a licensed health care professional (physician, physician assistant, advanced practice registered nurse (APRN), athletic trainer) trained in the evaluation and management of concussions.

Concussion Management Requirements:

1. No athlete SHALL return to participation in the athletic activity on the same day of concussion.
2. If there is any loss of consciousness, vomiting or seizures, the athlete MUST be immediately transported to the hospital.
3. Close observation of an athlete MUST continue following a concussion. The athlete should be monitored for an appropriate amount of time following the injury to ensure that there is no worsening/escalation of symptoms.
4. Any athlete with signs or symptoms related to a concussion MUST be evaluated by a licensed health care professional (physician, physician assistant, advanced practice registered nurse (APRN), athletic trainer) trained in the evaluation and management of concussions.
5. The athlete MUST obtain an initial written clearance from one of the licensed health care professionals identified above directing her/him into a well-defined RTP stepped protocol similar to the one outlined below. If at any time signs or symptoms return during the RTP progression, the athlete should cease activity*.
6. After the RTP protocol has been successfully administered (no longer exhibits any signs or symptoms or behaviors consistent with concussions), final written medical clearance is required by one of the licensed health care professionals identified above for the athlete to fully return to unrestricted participation in practices and competitions.

Medical Clearance RTP protocol (Recommended one full day between steps)

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
1. No activity	Complete physical and cognitive rest until asymptomatic. School may need to be modified.	Recovery
2. Light aerobic exercise	Walking, swimming or stationary cycling maintaining intensity ,<70% of maximal exertion; no resistance training	Increase Heart Rate
3. Sport specific exercise No contact	Skating drills in ice hockey, running drills in soccer; no head impact activities	Add Movement
4. Non-contact sport drills	Progression to more complex training drills, ie. passing drills in football and ice hockey; may start progressive resistance training	Exercise, coordination and cognitive load
5. Full contact sport drills	Following final medical clearance, participate in normal training activities	Restore confidence and assess functional skills by coaching staff
6. Full activity	No restrictions	Return to full athletic participation

* If at any time signs or symptoms should worsen during the RTP progression the athlete should stop activity that day. If the athlete’s symptoms are gone the next day, she/he may resume the RTP progression at the last step completed in which no symptoms were present. If symptoms return and don’t resolve, the athlete should be referred back to her/his medical provider.

Section 4. Local/Regional Board of Education Policies Regarding Concussions

***** Attach local or regional board of education concussion policies *****

I have read and understand this document and have viewed the prescribed resource material. I understand that state law requires me to immediately remove any player suspected of having a concussion and to not allow her/him to return to participation until she/he has received written medical clearance by a licensed health care professional trained in the evaluation and management of concussions.
