WELCOME TO THE CIAC BOYS & GIRLS BASKETBALL CHAMPIONSHIPS

On behalf of the 2016-2017 CIAC Boys' and Girls' Basketball Committees we would like to welcome all of you to the Mohegan Sun for this weekend's state boys' and girls' basketball finals. Along with an exciting weekend of basketball with eight championships culminating three weeks of Tournament action the Committee is happy to honor an illustrious group that have given numerous years of service to both boys' and girls' basketball in Connecticut: Peter Palermino, IAABO Board #6, Official and CT IAABO State Rules Interpreter; Gary Libertore, IAABO Board #9, Official; Sheila McCabe-King, Berlin High School, Girls Basketball Coach; John Mirabello, Northwest Catholic, Boys Basketball Coach; Paula Fitzgerald, Westbrook High School, Retired Athletic Director; and Tom Malin, East Catholic High School, Manchester, Retired Athletic Director.

The basketball committee is thrilled to continue our relationship with Mohegan Sun which has helped create an atmosphere and venue for our finals that is second-to-none and is why we elected to honor their commitment to the CIAC with this year's Tournament Dedication. We know the players, fans, and coaches will provide competition that is equal to this wonderful setting. Along with establishing a set of eligibility standards and a code of ethics that has enabled us to administer our competition in a fair and equitable manner the basketball committee stress the importance of sportsmanship from all those taking part in this weekend's festivities. Please support this effort by supporting the players, officials and coaches in a positive manner and cheering for your team not against the opponents.

The sixteen teams gathered here this weekend have survived the rigors of tournament play and deserve a great deal of credit for their achievements. Eight teams will be declared state champions, but we wish to think of all teams as champions for what they have gained playing this year. We are very proud of them all and salute the dedication and sacrifices they have made throughout this season and their entire careers.

The basketball committees would like to sincerely congratulate all of the athletes who will be participating in this weekend's championship games and wish to extend our gratitude to the hard-working members of both basketball committees, our tournament directors Jiggs Cecchini and Dave Maloney, our generous neutral-site hosts for earlier rounds, the staff at the CIAC and our hosts at Mohegan Sun.

Enjoy the finals.

George Synnott

George Synnott graduated from Mount St. Mary's University in Maryland. He began his professional career at St. Paul High Catholic School in Bristol, CT, where he taught social studies, coached baseball and basketball, chaired the social studies department and served as dean of students. His career at St. Paul includes two state championships and two additional appearances as a CIAC tournament finalist in baseball. While at St. Paul, George also coached the Bristol American Legion Baseball team winning the zone championship every year that he coached. In 1974, George's team won both the state and New England championships and participated in the American Legion World Series. George left St. Paul to become the supervisory department chairperson of the social studies department at Berlin High School. He later became the assistant principal and then, in 1998, he became Berlin High School's principal, serving in that position until 2010.

In 2010, he joined the Unified Sports® staff of the Connecticut Association of Schools and currently serves as its director of Unified Sports. In that position, he has increased the number of participating high schools and involved more middle and elementary schools, creating opportunities for special students that have improved the social climate of every school that has sponsored a Unified Sports program. CT's Unified Sports program has become nationally recognized since George took over and other states have looked to him for guidance and direction as they move to create their own Unified Program or enhance programs that they currently have in place.

MUTUAL RESPECT AND SPORTSMANSHIP COME WITH YOUR HIGH SCHOOL UNIFORM.

The Connecticut Association of Schools is proud to announce a new partnership with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2015-2016 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
