**11.0 SITES**

11.1 Qualifying, first round and quarter-final games will be played on the home field of the higher ranked team in the pairings. Semi-final and final games will be played at a pre-determined site.

- 11.2 If in the event the host team for a qualifying, first round or quarter-final game cannot provide a field hockey field that meets the specifications, 100 by 60 yards, grass cut, or artificial turf and of tournament quality, the game shall be played on the opponent's field, providing it does meet these standards. **The host school has the option to secure an alternate home site that meets this standard.** If neither school can provide a field that meets the standards, the tournament director will determine the game site. Fields with overlapping infield areas will not be scheduled for tournament play.
- 11.3 If weather or playing conditions cause a postponement, these games will be played on the next day. **The site director, after consulting with the tournament director, will have the authority to postpone games in the event of inclement weather or poor playing conditions and will notify the officials coordinator, game officials and the visiting team(s) by 11:00 a.m. for a 2:00 p.m. game or three (3) hours prior to scheduled game time.** Once the game has begun the officials have the sole authority in regard to suspension of play or a postponement.

- 11.5 **Interrupted Games – CIAC Field Hockey Tournament Rules** – Interrupted games will be postponed and play resumed at the point of interruption. Games interrupted during the second half may be decided “complete” by mutual agreement of both coaches.

If an overtime period is interrupted, the game shall be restarted at the beginning of that overtime period. Officials must not start an overtime period if not certain that overtime period will be concluded.

**Interrupted Games – Regular Season Games** -- By state adoption, interrupted games shall be resumed at the point of interruption if play is stopped prior to the completion of the first half. If play is stopped after completion of the first half, the game is considered a completed game.

- The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.
- Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by the conference.
- 13.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.

## 2021 TIE BREAKING PROCEDURE FOR ALL TOURNAMENT GAMES PRIOR TO THE FINALS

All game rules shall apply with the following modifications. **There will be no additional team time-outs during OT period. However, a team may use any unused timeouts during the overtime period.**

A tied game will be broken to determine the winner by playing up to two 10-minute “**Sudden Victory**” periods of teams consisting of seven team players (one which must be a GK).

There will be a five-minute break between the end of regulation and the first overtime period, and a two-minute break between any further overtime periods.

**Coin Toss** – A toss of the coin for first overtime period will determine ball possession, direction of play remains the same as the regulation second half. If a second overtime period is necessary, the teams shall switch attacking ends and the team who did not have possession at the beginning of the first overtime period will begin the second overtime period with the center pass. The lower ranked team will call all coin tosses.

Each team will begin the first overtime with seven players, one of which must be a GK, unless players were disqualified or have not completed a suspension during any previous playing periods.

Any player who has been disqualified (red carded) during regulation play is not eligible for any of the overtime periods including the “shoot-out”. The team plays short for all 7 v 7 overtime periods. A player suspended (yellow/green carded) would be eligible at the completion of the suspension timeframe. The team plays short until the suspension is completed.

**On Penalty Corners** – The defending team is permitted to have three field players and a GK beyond its goal line.

The game is completed as soon as a goal is scored.

If the score remains tied at the end of the second overtime period, a **shoot-out** will take place.

- A toss of the coin will give a team the choice to attack or defend.
- A series of five shots on goal shall be taken by individual players from each team in a one-on-one situation (attacker vs GK), alternately against the same GK from the opposing team.

Note: Each coach will present a list of five players to the officials and the shots will be taken by the players in the order they are listed. If a player participates out-of-order, that one-on-one is over and no goal is awarded.

- There is no substitution of any player during the shoot-out except for injury to a player or suspension of defending GK.
- The team awarded the highest number of goals shall be the winner.
- Once the shoot-out procedure is decisive, the game shall be complete and no more one-on-one attempts need to be taken.

Taking the shoot-out:

- The GK starts on or behind the goal line between the posts.
- The ball is placed on the nearest 25 yard line opposite the center of the goal.
- The attacker stands outside the 25 yard line near the ball.
- The umpire blows the whistle to signal the start of the shoot-out. The attacker and the GK may then move in any direction.
- The shoot-out is completed under the following conditions:
  - Eight seconds on turf or ten seconds on grass has elapsed.
  - The attacker scores a goal.
  - The attacker commits an offense.
  - The GK commits an unintentional offense. (Shoot-out is re-taken)

- The GK commits an intentional offense. (Penalty stroke is awarded)
  - The ball goes out of play over the backline or sideline. (This includes the GK intentionally playing the ball over the backline (not a foul). The ball simply going outside the circle a second time does not constitute the end of a shoot-out.)
  - If a penalty stroke is awarded, any eligible player on the official roster may take the penalty stroke. This penalty stroke will take place before the next available shoot-out takes place.
- A player may be suspended by a yellow or red card, but not a green card, during the shoot-out competition.
  - If a GK is suspended during the shoot-out, they may not take further part in that competition but can be replaced by any eligible player from the team. The replacement GK is allowed reasonable time to put on protective equipment.
  - If an attacker is suspended during the shoot-out competition, there is no replacement allowed. Any further shoot-out the player was entitled to take counts as no goal.
  - During a shoot-out competition, team members and the coaching staff for that match are permitted to enter the field of play, but only in the area outside the 25 yard area used for the shoot-out. Only a player who is authorized to take or defend a shoot-out may enter the 25 yard area. The GK of the team taking the shoot-out may be beyond the backline outside the circle.

If no decision is reached after the first series of five one-on-one shoot-outs a “Sudden Victory” shoot-out will be used to break the tie.

- There will be a second series of five one-on-ones taken. A list of any five players from the roster will be presented to officials. Shots will be taken by the players in the order they are listed.
- The team who defended first in the first series will attack first in second series. Teams will continue to alternate for any successive series.
- The first team awarded more goals than its opponent after an equal number of shoot-out attempts shall be the winner.
- Every player of the five selected must attempt a shoot-out before a player is eligible to go again.
- The same players take part in any subsequent series of shoot-outs except that an incapacitated player can be replaced from eligible players.
- Teams will alternate attacking first in each subsequent series of shoot-outs.
- If an overtime game goes into a shoot-out, a total of one goal (team goal) is awarded for the winner of the set rather than the number of goals scored in the set.

**For Tied Games During Tournament Finals** – There will be a 10-minute “sudden victory” period played with 7 v 7 followed, if needed, by a second 10-minute “sudden victory” 7 v 7 period. If a tie still exists, co-champions will be declared.

- If co-champions occur, at the conclusion of the contest, the winner of a coin-toss (called by higher ranked team) will receive the team gold plaque and the other co-champion will receive the individual gold medals. CIAC will be notified of the co-champions and each team will be sent the additional gold team plaque and the individual engraved gold medals.

## 14.0 SUPERVISION / SPORTSMANSHIP

- 14.1 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director and to the game officials.
- 14.2 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
- 14.3 Use of tobacco products or possession of alcoholic beverages of any kind, including champagne, are not permitted on the field of play, including dugouts, or within the field or park at which a tournament game is scheduled. Many towns or fields which we use have local ordinances prohibiting use of tobacco products or possession of alcoholic beverages. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.
- 14.4 **SPORTSMANSHIP** -- Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly. **The CIAC acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies and procedures relating to sportsmanship and the conduct of activities in the school.** To that end, the CIAC urges each school principal to adopt the following sportsmanship procedures and standards for their school and to champion the "Class Act" sportsmanship program as these standards will be used in all C CIAC post-season contests.

### CIAC Sportsmanship Guidelines

- The CIAC request that all school personnel – administrators, faculty, and coaches – give special and specific emphasis about CIAC's expectations for good sportsmanship during the regular season as well as CIAC tournaments requiring that athletes and members of the student body conduct themselves in a manner that reflects nothing but credit upon your school. Any unsportsmanlike conduct on the part of students and adults is unacceptable and will be addressed with strong and appropriate measures.
- The CIAC sportsmanship standards should be as widely disseminated as possible using the student-parent handbook, student-athlete handbook, school newspaper, parent newsletter, school web site and the local media.
- The CIAC sportsmanship standards for spectators should be read by PA announcers prior to each contest.
- The CIAC sportsmanship standards of conduct be prominently posted at all sports venues.
- When event programs are provided, the CIAC sportsmanship standards be included.
- Member schools require having athletes, parents/guardians, sign an acknowledgement which would show that they have read the student-athlete handbook and understand the CIAC sportsmanship standards.
- Member schools work with community officials to insure that levels of the CIAC sportsmanship standards are enforced when contests are held at their school and at non-school facilities.
- The CIAC and the CIAC sports committees insist the CIAC sportsmanship standards be rigorously enforced at all regular season contests and at all CIAC tournament contests. This is particularly important when contests are held at non-school sites.
- Member schools will conduct a pre-season meeting with student-athletes, coaches and parents to review the CIAC sportsmanship standards.
- Member schools should communicate with opposing schools and inform them they are a "Class Act School" and provide them with the CIAC sportsmanship standards which will be strictly adhered to.
- Member schools hosting a game should make available to visiting schools necessary game information – includes directions for parking, location of ticket booths, seating arrangement, ticket prices, game time, directions for each game site.

- Member schools hosting a game should designate specific seating areas for students, bands, adults and visitors. If possible, opposing student bodies should be separated.
- Member schools hosting a game should arrange for adequate police supervision.
- When possible the member schools hosting a game should assign officials to dressing facilities separated from both teams. Provides escorts for the officials when it appears that disturbances may develop.
- Member schools should take measures to prevent fans from getting near or on the playing area and around the players benches. After the contest, prevents fans from going onto the playing area.
- Member schools should provide for adequate supervision of students and facilities. Supervisors should sit in the stands with the students.
- **Member schools should support and adhere to ALL the following CIAC standards.**

### **The CIAC “Class Act” Sportsmanship Standards**

#### **ALL Spectators (including parents):**
